Chairman's Review Report

On Board's overall performance u/s 192 of the Companies Act-2017

I have to present a report on the overall performance of the Board of Directors and effectiveness of the role played by the board in achieving the company's objectives during the financial year ended June 30, 2025.

The board of directors is responsible for the management of the company, which formulates all significant policies and strategies. The board is governed by relevant laws & regulations and its obligation, rights, responsibilities and duties are as specified and prescribed therein. The Board of Directors comprises of individuals with diversified knowledge who Endeavour to contribute towards the aim of the Company with the best of their abilities.

An annual self evaluation of the Board of Directors of the Company is carried out. The purpose of this evaluation is to ensure that the Board's overall performance and effectiveness is measured and benchmarked against expectations in the context of objectives set for the Company.

Board's overall performance and effectiveness has been assessed as Satisfactory. Board complies with the requirements, set out in the Companies Act-2017 and the Listed Companies (Code of Corporate Governance Regulations, 2019) with respect to the composition, procedures and meetings of the Board of Directors and its committees.

The Board of Directors of your Company received agendas and supporting written material including follow up materials in sufficient time prior to the board and its committee meetings. The board meets frequently enough to adequately discharge its responsibilities. All the directors (executive/non-executive) are equally involved in important decisions.

The Board shall continue to play a vital role in setting the direction of the Company and promoting its success. I would like to thank the management and the esteemed shareholders for reposing confidence in the Company and its Board of Directors.

AFTAB ALAM

Chairman

Hyderabad: September 29, 2025

Directors' Report to the Members

For the year ended June 30, 2025

The Board of Directors presents their report and financial statements of the Company alongwith Auditors' Report for the year ended June 30, 2025.

Company has achieved a meager local sales of Rs. 0.17 million as compared to Rs.13.66 million in the preceding year due to suspension of production activities. The Gross Loss is realized at Rs.0.27 million whereas after Administration Expenses of Rs.3.70 million, Operating Loss is Rs.3.96 million. Company earned income of Rs.1.72 million on account of rental and dividend income. Company incurred loss of Rs.2.11 million in respect of Exchange Loss. After Financial and other charges of Rs.0.76 million and Rs. 118.06 million as gain on re-measurement to fair value of company's property, Profit before Revenue Tax is Rs.112.94 million. Net Profit after Taxation carried forward to balance sheet is Rs. 112.88 million. After revaluation of fixed assets, Company incurred total comprehensive income of Rs.333.03 million. Earnings per share is Rs. 56.44. The Management of the Company has submitted de-listing application to Pakistan Stock Exchange and the matter is under consideration and hopefully will be resolved soon.

Gender pay Gap:

Owing to the suspension of operations during the reporting period and the absence of female employees on the payroll, the gender pay gap calculation does not apply to the financial year under review. The company's management remains fully committed to develop an inclusive workplace and ensuring that equal opportunity principles are embedded in all future recruitment and operational practices.

Dividend:

Considering the cash flow situation and accumulated losses, directors have not recommended any dividend for the year.

Future Outlook:

Pakistan is still in the midst of significant economic and political challenges. Persistently high inflation, very high interest rates and depleted foreign exchange reserves have significantly impacted the economic growth. Political and economic stability is needed to get the country out of crisis and to pave the way for future growth. Given all these challenges your Company remains focused on minimizing the negative impacts.

Principal Risks and Uncertainty :

The Company is exposed to certain inherent risks and uncertainties. However, we consider and work with internal and external stakeholders to mitigate the impacts of risk.

Material Changes affecting Financial Position:

No material changes and commitments affecting the financial position of the Company have occurred between the end of the financial year to which these financial statements relate and the date of directors' report.

Corporate Social Responsibility :

The Management of the Company is well known of its corporate and social responsibility and will encourage social welfare project in future.

Compliance with Listed Companies (Code of Corporate Governance) Regulations-2019:

The requirements of Listed Companies (Code of Corporate Governance) Regulations-2019, relevant for the year ended **June 30, 2025** have been duly complied with, except for those disclosed in statement of compliance with Listed Companies (CCG) Regulations. The Directors confirm the compliance of Regulations for Corporate Governance, statement to this effect is annexed.

Statement on Corporate and Financial Reporting Framework:

- The financial statements, prepared by the management of the Company, presents fairly its state of affairs, cash flows and changes in equity;
- Proper books of accounts have been maintained by the Company;
- Appropriate accounting policies have been consistently applied in preparation of financial statements and accounting estimates are based on reasonable and prudent judgment;

- The International Accounting Standards, as applicable in Pakistan, have been followed in preparation of financial statements and any departure there from has been adequately disclosed;
- The System on internal control is sound in design;
- There are no significant doubts upon the company's ability to continue as a going concern;
- There has been no material departure from the best practices of corporate governance, as detailed in the listing regulations;

Operating and financial data for the last six years is as under;

Rs.(000)

Description	2019	2020	2021	2022	2023	2024	2025

No trading of shares have been carried out by the Chief Executive, Directors, Chief Financial Officer, Company Secretary, their spouses and minor children;

During the year four (04) meetings of the Board of Directors were held. The attendance of each Director is as follows:

S.NO.	NAME OF DIRECTOR	MEETING ATTENDED
1.	Mr. Rauf Alam	04
2.	Mr. Aftab Alam	04
3.	Mr. Saeed Alam	04
4.	Mr. Faraz Alam	04
5.	Mr. Ashhar Alam	04
6.	Mr. Jamal Alam	03
7.	Mrs. Seema Rauf	01

Pattern of Shareholding required under section 227 of the Companies Act-2017 is annexed; and Outstanding taxes and levies are given in the relevant notes to the audited financial statements.

Auditors' Observation:

The company has sent the letters for balance confirmation and subsequently reminders to its trade creditors hence no reply has been received from their end. Management of the Company has suspended production activities due to financial constraint. The accounts of the Company are prepared on going concern basis as the Management of the Company is committed to continue its financial support whenever needed.

Auditors:

The present Auditors **M/s. Clarkson Hyde Saud Ansari**, Chartered Accountants will retire at the conclusion of the Annual General Meeting. The retiring auditors M/s Clarkson Hyde Saud Ansari, Chartered Accountants offered themselves for reappointment. The Audit Committee and Board of Directors have recommended their reappointment as External Auditors of the Company for the year ending June 30, 2026.

ڈائریکٹرز رپورٹ

برائے اختتامی سال 30 جون 2025

محکمہ امور خارجہ

کمپنی کے بورڈ آف ڈائریکٹرز آپ کے سامنے 30 جون 2025 کو اختتام ہونے والے مالی سال کے لیے آڈٹ شدہ حسابات بشمول آڈیٹرز رپورٹ پیش کر رہے ہیں۔

دوران سال پیداواری سرگرمیوں کی معطلی کی وجہ سے 0.17 ملین روپے کی معمولی فروخت ریکارڈ کی گئی ہے جبکہ سابقہ سال میں یہ فروخت 13.66 ملین روپے ریکارڈ کی گئی تھی۔ مجموعی نقصان 0.27 ملین روپے ریکارڈ کیا گیا جبکہ انتظامی اخراجات کی مد میں 3.70 ملین روپے خرچ کئے گئے۔ اس طرح ابتدائی نقصانات 3.96 ملین روپے رہا۔ دوران سال کمپنی کو کرائے اور ڈیویڈنڈ کی مد میں 1.72 ملین روپے وصول ہوئے جبکہ کرنسی تبادلے کی مد میں 2.11 ملین روپے کا نقصان ہوا۔ 0.76 ملین کے مالیاتی اور دیگر اخراجات اور کمپنی کی پراپرٹی کی دوبارہ ویلویو کی مد میں 118.06 ملین کا منافع ریکارڈ کرنے کے بعد ریونیو ٹیکس سے پہلے کا منافع 112.94 ملین روپے ہے۔ خالص بعد از ٹیکس منافع 112.88 ملین روپے بیننس شیٹ پر منتقل کیا گیا۔ مکمل وسیع منافع 333.03 ملین روپے رہا جبکہ بنیادی منافع فی ہئیر 56.44 روپے ریکارڈ کیا گیا۔ کمپنی کی انتظامیہ نے پہلے ہی پاکستان اسٹاک ایکسچینج میں کمپنی کو ڈی۔ لسٹ کروانے کے لئے درخواست دے رکھی ہے اور یہ معاملہ اسٹاک ایکسچینج کے زیر غور ہے اور امید ہے جلد از جلد حل ہو جائے گا۔

صنعتی تنخواہوں کا فرق: رپورٹنگ کی مدت کے دوران کاموں کی معطلی اور پے رول پر خواتین ملازمین کی غیر موجودگی کی وجہ سے صنعتی تنخواہوں کے فرق کا حساب کتاب زیر نظر مالی سال پر لاگو نہیں ہوتا تاہم کمپنی کی انتظامیہ اس بات کو یقینی بنانے پر پوری طرح پرعزم ہے کہ مستقبل کی تمام بھرتیوں اور آپریشنل طریقوں میں مساوی مواقع کے اصول شامل ہوں۔

ڈیویڈنڈ: کیش فلوی صورتحال اور جمع شدہ نقصانات کو مد نظر رکھتے ہوئے بورڈ آف ڈائریکٹرز نے اس مالی سال کے لئے کسی ڈیویڈنڈ کی سفارش نہیں کی ہے۔ مستقبل کا آؤٹ لک: پاکستان ابھی بھی اہم معاشی اور سیاسی چیلنجز سے دوچار ہے۔ مسلسل بلند افراط زر، بہت زیادہ شرح سود اور کم ہوتے زرمبادلہ نے شرح نمو کو متاثر کیا ہے۔ ملک کو معاشی بحران سے نکلنے کے لئے سیاسی استحکام ضروری ہے ان تمام چیلنجز کے پیش نظر آپ کی کمپنی کی توجہ ان کے منفی اثرات کو کم کرنے پر مرکوز رہے گی۔ بنیادی خطرات اور غیر یقینی صورتحال: کمپنی بعض موروثی خطرات اور غیر یقینی صورتحال سے دوچار ہے۔ تاہم، ہم خطرے کے اثرات کو کم کرنے کے لئے اندرونی اور بیرونی اسٹیک ہولڈرز پر غور کرتے ہیں اور ان کے ساتھ کام کرتے ہیں۔

مالیاتی پوزیشن کو متاثر کرنے والی مادی تبدیلیاں: مالی سال کے اختتام جس سے یہ مالیاتی بیانات متعلقہ ہیں اور ڈائریکٹرز کی رپورٹ کی تاریخ کے درمیان کمپنی کی مالی پوزیشن کو متاثر کرنے والی کوئی مادی تبدیلی اور وعدے نہیں ہوئے ہیں۔

کارپوریٹ سماجی ذمہ داری: کمپنی کی انتظامیہ اپنی کارپوریٹ اور سماجی ذمہ داری سے اچھی طرح واقف ہے اور مستقبل میں سماجی بہبود کے منصوبے کی حوصلہ افزائی کرے گی۔

نظم و ضبط کا اسٹیٹمنٹ اور مالیاتی رپورٹنگ کا فریم ورک 2019:

اختتامی سال جون 2025 کے لئے لسٹڈ کمپنی کے کوڈ آف کارپوریٹ گورننس ریگولیشن 2019 پر عملدرآمد کیا ہے سوائے ان شقوں کے جو کہ اسٹیٹمنٹ آف کمپلائنس میں ظاہر کر دی گئی ہیں۔ ڈائریکٹرز کی جانب سے اسٹیٹمنٹ آف کمپلائنس کی تصدیق اس رپورٹ کے ساتھ منسلک ہے۔

کارپوریٹ اور فنانشل رپورٹنگ فریم ورک کے اصول درج ذیل ہیں۔

کمپنی کی انتظامیہ کی جانب سے تیار کردہ مالیاتی گوشوارے کمپنی کے حالات، اس کے کاروباری نتائج، نقد رقم کی ترسیل اور حصص میں رد و بدل کی شفاف عکاسی کرتے ہیں۔ کمپنی کے کھاتے مناسب طریقے سے تیار کئے جاتے ہیں۔

اندرونی کنٹرول کے نظام منظم ہیں اور اسکے موثر طریقے سے عملدرآمد اور نگرانی کی جاتی ہے۔
آنے والے سالوں میں کمپنی کے کاروباری تسلسل پر کسی قسم کے شکوک و شبہات نہیں ہیں۔
نظم و ضبط کے حوالے سے کوئی بھی مواد قانون کے خلاف نہیں ہے جس کی تفصیلات لسٹ میں دی گئی ہے۔
گزشتہ چھ سالوں کے لئے کمپنی کے اہم امور اور مالیاتی تفصیلات منسلک ہیں۔

کسی بھی ڈائریکٹرز، سی ایف او، کمپنی سیکریٹری، ان کی بیگمات و بچوں نے اس سال کے دوران کمپنی کے شئیرز میں کوئی تجارت نہیں کی ہے جس کا اندراج شئیر ہولڈنگ کے طریقہ کار میں پہلے ہی درج کر دیا گیا ہے۔ دوران سال بورڈ آف ڈائریکٹرز کی چار میٹنگز منعقد ہو چکی ہیں۔ ان میٹنگز میں درج ذیل ڈائریکٹرز نے شرکت کی ہے۔

میٹنگز میں شرکت کرنے کی تعداد

ڈائریکٹرز کے نام	میٹنگز میں شرکت کرنے کی تعداد
جناب رؤف عالم	4
جناب آفتاب عالم	4
جناب سعید عالم	4
جناب فراز عالم	4
جناب اشہر عالم	4
جناب جمال عالم	3
محترمہ سیمارؤف	1

کمپنیز ایکٹ کے سیکشن 224 کے مطابق پیرن آف شئیر ہولڈنگ اس مالیاتی رپورٹ کے ساتھ منسلک ہے۔
بقایا ٹیکس اور لیوی سے متعلق نوٹس اس آڈٹ شدہ مالیاتی اسٹیٹمنٹ میں درج کئے گئے ہیں
اس رپورٹ کی تشریح تک ایسی کوئی تبدیلی واقع نہیں ہوئی جو کہ اس رپورٹ کی مالیاتی حیثیت کو تبدیل کر دے۔

آڈیٹرز کا مشاہدہ :

کمپنی کی طرف سے تمام قرض دہندگان کو بقایا جات کی تصدیق کے لئے خطوط ارسال کئے گئے ہیں بعد ازاں یاد دہانی کے خطوط بھی ارسال کئے گئے ہیں تاہم کسی کی جانب سے تصدیقی جواب موصول نہیں ہوا۔ کمپنی کی انتظامیہ نے مالی مجبوریوں کی وجہ سے پیداواری سرگرمیاں معطل کر دی ہیں تاہم اس سال کے اکاؤنٹ بھی گورنٹ کنٹریول میں پر تیار کئے گئے ہیں کیونکہ انتظامیہ اپنے موقف پر قائم ہے کہ جب بھی ضرورت پڑی انتظامیہ کمپنی کے ضروری اخراجات کے لئے ممکن مالی تعاون جاری رکھے گی۔

آڈیٹرز کی تقرری:

موجودہ آڈیٹرز میسرز کلاکسن ہائیڈروسود انصاری، چارٹرڈ اکاؤنٹنٹس سالانہ اجلاس عام کے اختتام کے فوری بعد سیکڈوش ہو جائیں گے۔ سیکڈوش ہونے والے آڈیٹرز میسرز کلاکسن ہائیڈروسود انصاری چارٹرڈ اکاؤنٹنٹس نے خود کو دوبارہ تقرری کے لئے پیش کیا ہے۔ آڈٹ کمیٹی اور بعد ازاں بورڈ آف ڈائریکٹرز نے میسرز کلاکسن ہائیڈروسود انصاری چارٹرڈ اکاؤنٹنٹس کو 30 جون 2026 کو ختم ہونے والے مالی سال کے لئے دوبارہ تقرری کی سفارش کی ہے۔

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of: FATEH INDUSTRIES LIMITED

**Review Report on the Statement of Compliance contained in Listed Companies
(Code of Corporate Governance) Regulations, 2019**

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of **FATEH INDUSTRIES LIMITED** (the Company) for the year ended June 30, 2025 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Further, we highlight below instances of non-compliance with the requirements of the Regulations as reflected in paragraph 2 and 9 of the Statement of Compliance:

Independent Directors – As per Regulation No. 6 of the Regulations, which is mandatory, the independent directors should not be less than two or one third of the total number of the board of directors, whichever is higher. The Company has not appointed any independent director.

Directors' Training Program— Three directors out of seven, have not acquired directors' training program certification as required by Regulation 19 of the Regulations, which is recommendatory. The other four directors are exempt from directors' training program.

Based on our review nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2025.

INDEPENDENT AUDITOR'S REPORT

To the members of : **FATEH INDUSTRIES LIMITED**
Report on the Audit of the Financial Statements

Qualified Opinion

We have audited the annexed financial statements of **FATEH INDUSTRIES LIMITED** (the Company), which comprise the statement of financial position as at June 30, 2025, and the statement of profit or loss, the statement of other comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report the statement of financial position, the statement of profit or loss, the statement of other comprehensive income, the statement of changes in equity, and the statement of cash flows, together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2025 of the profit and the comprehensive income, the changes in equity and its cash flows for the year then ended.

Basis for Qualified Opinion

- i. We have been unable to receive balance confirmations for balances of trade creditors amounting to Rs.3,411,654 other payables amounting to Rs.4,662,249 and payable to others as described in Note No.16.2 to the financial statements amounting to Rs.82,688,107, hence these balances remained unverified.
- ii. Sales has been disrupted during the year, and there are no subsequent sales as of the signing of this report, which raises concerns that inventory may become obsolete and may not fetch normal selling price, therefore requires write down to realizable value. In the absence of any audit evidence to dispel the doubt, we are unable to conclude that inventories are reported at proper amounts.
- iii. The previous year's audit opinion on the financial statements was also qualified with respect to balances of trade creditors and payables to others and payable to others as described in Note No.16.2 to the financial statements, therefore our opinion on the current year's financial statements is also qualified because of the effects of this matter on the comparability of the current year's figures and the corresponding figures.

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our ethical responsibilities in accordance with the Code. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty relating to Going concern

We draw attention to Note 2.4 to the financial statements, which states that these financial statements have been prepared on going concern basis, yet there are factors which affect the Company's ability to continue as a going concern, for instance the business operations are suspended, due to the reasons as stated in Note No.1. The current liabilities exceeds current assets by Rs.105.2 million. The aforesaid conditions indicate the existence of a material uncertainty which cast significant doubt about the company's ability to continue as a going concern. Management's plans and other mitigating factors to this matter have been discussed in Note 2.4 to the financial statements. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the *Basis for Qualified Opinion* and *Material Uncertainty Related to Going Concern sections*, following are the key audit matters:

S.No.	Key Audit Matter	How the Matter was addressed in our Audit
1.	<p><u>Inventories</u></p> <p>The inventories constitute 36.69% of the total current assets of the Company. The inventories represent cost of raw and packing material. The cost of closing inventory is determined at moving average rate.</p> <p>We have identified this as a key audit matter, because the inventories are a significant portion of the Company’s total assets and requires management’s judgment in determining an appropriate costing basis and assessing its valuation.</p>	<p>Our audit procedures with respect to inventories included, but not limited to:</p> <ul style="list-style-type: none"> • We observed physical count at year end. Reviewed physical inventory count instructions and determined their appropriateness, and ensured that they are followed during the physical count. • We ensured that there were no items of finished goods present in inventory, as the Company has a practice to transfer the finished goods to the related party at the end of each day. Checked inventory cut off. • We checked stock register on sample basis and ensured that the moving average cost formula was correctly applied on receipts and issues. Traced prices to the purchase invoices. • We assessed valuation of inventory at the lower of cost or NRV in accordance with paragraph 32 of IAS-1.
2.	<p><u>Revaluation of Property, Plant & Equipment</u></p> <p>During the year the Company has its property, plant and equipment revalued by an independent valuer and incorporated an amount of Rs.220.02 million in the financial statements.</p> <p>Given the magnitude of the amount and the significant uncertainty involved in determining fair values, this was considered to be a key audit matter.</p>	<p>Our audit procedures included, among others:</p> <ul style="list-style-type: none"> • Evaluating the competence, independence and objectivity of the external valuer engaged by the management. • Assessing the appropriateness of the valuation methodologies used. • Checking accounting entries made to record the revaluation in accordance with the requirements of IAS-16.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. As described in the Basis for Qualified Opinion section above, we have been unable to obtain sufficient appropriate evidence in respect of various matters. Accordingly, we are unable to conclude whether or not the other information is materially misstated with respect to those matters.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusion is based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in the internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, except for the matter described in *the Basis for Qualified Opinion* section above, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss, the statement of other comprehensive income, the statement of changes in equity and the statement of cash flows, together with notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) no Zakat was deductible at source under the Zakat and Usher Ordinance, 1980 (XVIII of 1980).

Notes to the Financial Statements

For the year ended June 30, 2025

1 CORPORATE AND GENERAL INFORMATION

The Company was incorporated on May 18, 1986, as a public company limited by shares under the Companies Ordinance, 1984 (now the Companies Act, 2017), and is listed on Pakistan Stock Exchange Limited. The business of company was to manufacture and sale of footwear of all kinds.

The Company applied for delisting to the Pakistan Stock Exchange Limited, for which formal application was submitted to the Exchange in March, 2021. The application is still under process with the Exchange.

The manufacturing activities had remained suspended since 1999-2000. The core reason for non-production was blockage of funds with Russia at the time when the Russian Central Bank defaulted on its debts due to disintegration of U.S.S.R., that rendered the Company in to the financial distress. Although the blocked funds have been received few years back, yet the manufacturing activities could not be resumed due to various constraints. The company had also started business of wastage wool as alternative business since 2011, which has also been suspended for few years. The manufacturing activities has partially commenced since 2013, the Company is manufacturing shoes for making sales to a related party namely M/S Arino.

The geographical locations and addresses of Company's premises are as under:

- The Registered office is situated at 442, Mirpurkhas Road, Hyderabad.
- Factory is also situated at 442, Mirpurkhas Road, Hyderabad.

2 BASIS OF PRESENTATION

2.1 Statement of Compliance

These financial statements have been prepared in accordance with the accounting and financial reporting standards as applicable in Pakistan. The accounting and financial reporting standards applicable in Pakistan comprise of:

- (a) International Financial Reporting Standards issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- (b) Provisions of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRS, the provisions of and directives issued under the Companies Act, 2017 have been followed.

2.2 New standards, interpretations and amendments to published approved accounting standards that are effective in the current year

The following standards, amendments and interpretations are effective for the current year. These standards, amendments and interpretations are either not relevant to the Company's operations or are not expected to have significant impact on the Company's financial statements other than certain additional disclosures:

- | | |
|--|---------------------------------|
| - Amendments to IFRS 16 ' Leases' - Clarification on how seller-lessee subsequently measures sale and lease back transaction | Effective date: January 1, 2024 |
| - Amendments to IAS 1 ' Presentation of Financial Statements ' - Clarification liabilities as current or non-current along with non-current liabilities with covenants | Effective date: January 1, 2024 |
| - Amendments to IAS 7 ' Statement of Cash Flows ' and IFRS 7 ' Financial Instruments ' - Supplier finance arrangements | Effective date: January 1, 2024 |

2.3 Standards, interpretations and amendments to published approved accounting standards that are neither yet effective nor early adopted

The following amendments are effective for accounting periods, beginning on or after the date mentioned against each of them. These amendments are either not relevant to the Company's operations or are not expected to have significant impact on the Company's financial statements other than certain additional disclosures.

- Amendments to IFRS 9 'Financial Instruments' and IFRS 7 'Financial Instruments Disclosures' - Classification and measurement of financial instruments and contracts referencing nature-dependent electricity Effective date: January 1, 2026
- IFRS 17 'Insurance Contracts' (including June 2020 and December 2021 amendments) Effective date: January 1, 2026
- Amendments to IAS 21 'The Effects of Changes in foreign Exchange Rates' - Clarification on how an entity accounts when there is a long term lack of exchangeability Effective date: January 1, 2025
- Annual improvements to IFRS (related to IFRS 1, IFRS 7, IFRS 9, IFRS 10 and IAS 7) Effective date: January 1, 2026
- IFRS S1 General Requirements for Disclosure of Sustainability-Related Financial Information and IFRS S2 Climate-Related Disclosures - Core framework for the disclosure of material opportunities across an entity's value chain and set out the requirements for entities to disclose information about climate-related risks and opportunities. Effective date: July 1, 2025

Other than the aforesaid amendments, the IASB has also issued the following standards which have not been adopted locally by the Securities and Exchange Commission of Pakistan:

IFRS 1 'First Time Adoption of International Financial Reporting Standards'

IFRS 18 'Presentation and Disclosures in Financial Statements'

IFRS 19 'Subsidiaries without Public Accountability : Disclosures'

2.4 Basis of Measurement

These financial statements have been prepared under the historical cost convention, as modified by the remeasurement of investments to their fair value. In these financial statements, except for the amounts reflected in the cash flow statement, all transactions have been accounted for under the accrual basis of accounting.

Going Concern Assumption

These financial statements have been prepared on going concern basis, yet there are factors which effect the Company's ability to continue as a going concern, for instance the operations of the Company have been closed since the year 2000, due to the reasons as stated in Note No.1. The business operations are suspended and the current liabilities exceed current assets by Rs.105.2 million.

Mitigating Factors to the Uncertainty relating to the use of Going Concern

Foreign debtors with Russia were blocked due to delink age of the same with Russian Federation. The management of the Company had filed an appeal before the Honourable Foreign Exchange Regulation Appellate Board, Karachi against the order of Honourable Foreign Exchange Adjudication Court, State Bank of Pakistan, Banking Services Corporation in July 2014. Foreign Exchange Regulation (FER) Appellate Board, vide order dated 24.04.2017 has annulled and set aside the said order and directed the adjudication officer to pass a fresh speaking and final order on all legal and factual grounds and further directed not to take any coercive measures against the appellant till further direction of the Appellate Board. Further during the year 2019 the Company had filed a constitutional petition before the Honourable High Court of Sindh. The FER cases against the Company have been vacated by the Foreign Exchange Adjudication Office vide order dated September 14, 2023 in favour of the Company.

The Government of Pakistan and the Russian Federation have been discussing the matter for settlement of claims by the Pakistani exporters. The Government of Pakistan has frozen the account of the Russian Federation Government maintained with NBP, till the settlement of the claims of the Pakistani exporters, in accordance, with the order of the Honourable High Court of Sindh. Consequent to the negotiations for recovery of stuck up funds from Russian Federation, an amount of Rs.182,620,000 (USD 1,150,000) including sea freight compensation has been received few years back.

The management is considering to restart the operations viably a new. Although the plant is shut down, the Company has managed to produce shoes through hand labour and selling the same. Sales has been disrupted during the year, yet management is confident that it will go up during the next twelve months. Export of wool is also being considered an alternative business activity. The Company has received advance for export amounting to Rs. 24.28 million. The management has no plans to liquidate its assets other than in the normal course of business. Moreover continued financial support is available from the directors and other related parties.

Hence there is a material uncertainty which cast significant doubt about the Company's ability to continue as a going concern, therefore it may be unable to realise its assets and discharge its liabilities in the normal course of business. These financial statements do not include any adjustments relating to the recoverability and classification of recorded assets amounts, and discharge and classification of liabilities, that may be necessary should the company be unable to continue as a going concern.

2.5 Functional and Presentation Currency

These financial statements are presented in Pakistan Rupees, which is the company's functional and presentation currency.

2.6 Use of Estimates and Judgements

The preparation of financial statements in conformity with the approved accounting standards as applicable in Pakistan, requires management to make judgements, estimates and assumptions that affect the application of policies and the reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. The estimates and judgements that have a significant effect on the financial statements, are as follows:-

Depreciable amount and useful lives of Property, Plant and Equipment

In accordance with the accounting policy, the management carries out an annual assessment of depreciation amount and useful lives of assets. Further, the Company reviews the value of assets for possible impairment on an annual basis. Any change in the estimates in the future might affect the carrying amount of respective item of property, plant and equipment, with a corresponding effect on the depreciation charge and impairment.

Stores, Spares and Loose Tools

The Company reviews the net realisable value and impairment of stores, spares and loose tools to assess any diminution in the respective carrying value and wherever required provision for impairment is made. The calculation of provision involves the use of estimates with regard to future estimated use and past consumption of stores and spares along with holding period.

Inventories

Net realizable value of stock-in-trade is determined with reference to currently prevailing selling prices less estimated expenditure to make sales.

Provision for Expected Credit Losses

The allowance for expected credit losses assessment, requires a degree of estimation and judgement. It is based on the lifetime expected credit loss, based on days overdue. In particular, judgement by management is required in the estimation of the amount and timing of future cash flows, in determining the level of provision.

Income Taxes

In making the estimates for income tax currently payable by the Company, the management takes into account the current income tax law and the decisions of appellate authorities on certain issues in the past.

3 MATERIAL ACCOUNTING POLICIES

3.1 Property, Plant and Equipment

These are stated at cost less depreciation and impairment loss, if any. Depreciation is charged by applying the reducing balance method, on pro-rata basis, full month's depreciation is charged in the month the asset is available for use while no depreciation is charged in the month of derecognition, whereby the cost of an asset is written off over its useful life, at the rates specified in note. 4 to the financial statements. The residual value, depreciation method and the useful lives of each part of property, plant and equipment that is significant in relation to the total cost of the asset are reviewed, and adjusted if appropriate, at each reporting date.

Maintenance and normal repairs are charged to profit and loss account as and when incurred, whereas major renewals and improvements are capitalized and the assets so replaced, if any, are retired. Gains and losses on disposal of assets, if any, are taken to the profit and loss.

3.2 Investment Property

An investment property is a property (land or a building, part of a building or both) held to earn rentals or for capital appreciation or both which is not in the use for production or supply of goods, or for administrative purposes and is not held for sale in the ordinary course of business. Investment property is measured initially at cost and subsequent to initial recognition, investment property is measured at fair value model in accordance with requirements of IAS-40 "Investment Property".

3.3 Stores, Spares and Loose Tools

These are carried at lower of moving average cost or net realisable value, except items in transit which are stated at cost accumulated up to the date of the financial statements.

3.4 Stock-in-Trade

These are carried at lower of cost or net realisable value. Cost is calculated on the following basis:

- Raw materials at moving average cost
- Goods in Transit at cost accumulated up to the closing date
- Goods in Process at manufacturing cost
- Finished Goods at average manufacturing cost

Net realizable value signifies the estimated selling price in the ordinary course of business less cost of completion and cost necessarily to be incurred in order to make the sales.

3.5 Financial Instruments

The Company follows IFRS 9 "Financial Instruments". The standard prescribes classification and measurement models for financial assets. A financial asset shall be measured at amortised cost if it is held within a business model whose objective is to hold assets in order to collect contractual cash flows which arise on specified dates and that are solely principal and interest. A debt instrument shall be measured at fair value through other comprehensive income if it is held within a business model whose objective is to both hold assets in order to collect contractual cash flows which arise on specified dates that are solely principal and interest as well as selling the asset on the basis of its fair value. All other financial assets are classified and measured at fair value through profit or loss unless the Company makes an irrevocable election on initial recognition to present gains and losses on equity instruments in other comprehensive income. Despite these requirements, a financial asset may be irrevocably designated as measured at fair value through profit or loss to reduce the effect of, or eliminate, an accounting mismatch. For financial liabilities designated at fair value through profit or loss, the standard requires the portion of the change in fair value that relates to the Company's own credit risk to be presented in other comprehensive income (unless it would create an accounting mismatch). Hedge accounting requirements are intended to more closely align the accounting treatment with the risk management activities of the Company. Impairment requirements use an 'expected credit loss' ('ECL') model to recognize an allowance. Impairment is measured using a 12-month ECL method unless the credit risk on a financial instrument has increased significantly since initial recognition in which case the lifetime ECL method is adopted. For receivables, a simplified approach to measuring expected credit losses using a lifetime expected loss allowance is available.

Recognition of Financial Instruments

The Company initially recognizes financial assets on the date when they are originated. Financial liabilities are initially recognized on the trade date when the entity becomes a party to the contractual provisions of the instrument.

Initial Measurement of Financial Instruments

At initial recognition a financial asset or financial liability, except trade receivables, is initially measured at fair value, plus or minus, in the case of financial asset or financial liability not at fair value through profit or loss, transaction costs that are directly attributable to acquisition or issue of financial asset or financial liability.

3.5.1 Equity Investments

The management determines an appropriate classification for investments in accordance with the requirements of the International Financial Reporting Standard -9. The Company subsequently measures all equity investments at fair value. For financial instruments quoted on Stock Exchange, the fair value corresponds to the stock exchange market price (level 1 inputs, unadjusted quoted prices in active markets). The Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, thus there is no subsequent reclassification of fair value gains and losses to profit or loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVTOCI are not reported separately from other changes in fair value.

3.5.2 Trade Receivables

Trade debts are carried at original invoice amount less an estimated amount for expected credit loss, if any. Balances considered bad and irrecoverable are written off when identified. A contract asset or trade receivable is impaired if the credit risk on that financial asset has increased significantly since the initial recognition. For trade receivables, a simplified approach under IFRS 9 to measure expected credit losses using a lifetime expected credit losses amount is used.

3.5.3 Trade and Other Payables

Liabilities for trade and other amounts payable are initially recognized at fair value, which is normally the transaction cost. Subsequently they are measured at amortised cost.

3.5.4 Borrowings

Financing and borrowings are initially recognized at fair value of the consideration received, net of transaction costs. They are subsequently measured at amortized cost using the effective interest method.

3.5.5 Offsetting of Financial Instruments

Financial assets and liabilities are offset and the net amount is reported in the financial statements only when the Company has a legally enforceable right to offset the recognised amounts and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously

3.6 Foreign Currencies Translation

These financial statements are presented in Pak Rupees, which is the Company's functional currency. All monetary assets and liabilities denominated in foreign currencies are translated into Pak Rupees at the rates of exchange prevailing at the balance sheet date, while the transactions in foreign currency during the year are initially recorded in functional currency at the rates of exchange prevailing at the transaction date. All non monetary items are translated into Pak Rupee at exchange rates prevailing at the date of transaction or the date when fair values are determined. The Company charges all exchange differences to profit and loss account.

3.7 Taxation

The tax expense for the year comprises current and deferred tax, if any. Tax is recognised in the profit and loss account, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case the tax is also recognised in other comprehensive income or directly in equity, respectively.

Current

The charge for current taxation is based on taxable income at the current rate of taxation after taking into account applicable tax credits, rebates and exemptions available, if any, or minimum taxation on the turnover under section 113 of the Income Tax Ordinance, 2001, whichever is higher. The Company designates the amount calculated on revenue or other basis, such as receipts or other revenues as provided in Law, as a levy, any excess over the amount designated as a levy, is recognised as current income tax expense under the Scope of IAS 12.

Deferred

Deferred tax assets and liabilities are measured at the average effective tax rate rather than the enacted rate of income tax, in accordance with paragraph C2 the "IAS Application Guidance on Accounting for Minimum Taxes and Final Taxes", issued by the Institute of Chartered Accountants of Pakistan. The effective tax rate varies, requiring the Company to reassess its estimate for measuring deferred taxes in the future even when the enacted rate of income tax is unchanged.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which temporary differences can be utilised. Deferred tax assets are reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that the related tax benefit will be realized.

3.8 Revenue from contracts with customers

The Company follows IFRS 15 for recognition of revenue from contracts with customers. The Standard provides a single five-step model for revenue recognition and establishes a comprehensive framework for recognition of revenue from contracts with customers based on a core principle that an entity should recognize revenue representing the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The standard provides a contract-based revenue recognition model with a measurement approach that is based on an allocation of the transaction price. If the consideration promised in a contract includes a variable amount such as discounts, rebates and refunds, any potential bonuses receivable from the customer and any other contingent events, such estimates are determined using either the 'expected value' or 'most likely amount' method. The measurement of variable consideration is subject to a constraining principle whereby revenue will only be recognized to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognized will not occur. The measurement constraint continues until the uncertainty associated with the variable consideration is subsequently resolved. Amounts received that are subject to the constraining principle are initially recognized as deferred revenue in the form of a separate refund liability. Credit risk is presented separately as an expense rather than adjusted against revenue. Customer acquisition costs and costs to fulfil a contract can, subject to certain criteria, be capitalized as an asset and amortized over the contract period.

3.8.1 Sale of Goods

Revenue from the sale of goods is recognised at the point in time when the customer obtains control of the goods, which is generally at the time of delivery to the customer in the case of domestic sales and shipment of goods in the case of exports.

3.8.2 Rent Income

The performance obligation is satisfied at the point in time when the rent becomes due in accordance with the rental contracts.

Revaluation of property, plant, and equipment was carried out for the first time on 30.06.2025 by an independent valuer, M/s SIPRA & Company (Pvt) Ltd., Suit # 1906, 19th Floor, Saima Trade Tower - B, I.I. Chundrigar Road, Karachi. The revaluation of Freehold land, Building & civil works, Plant & machinery, Pressing & other machines and Tools & Equipments resulted in Revaluation Surplus of Rs. 230.3 million.

Forced sale value as per revaluation report dated June 30, 2025 of freehold land, building & civil works, plant & machinery, pressing & other machines and tools & equipment is Rs. 215.7 million.

Had there been no revaluation, the values of specific classes of freehold land, building & civil works, plant & machinery and pressing & other machines as at June 30, 2025 would have been as follows:

	COST	ACCUMULATED DEPRECIATION	WRITTEN DOWN VALUE
Land - Freehold	3,585,601	-	3,585,601

Rupees

Rupees

16.1 This represents Company's obligation to transfer goods under contract with customers, for which the Company has received consideration. This amount includes Rs. 24,288,741/- (2024 : Rs. 22,173,923/-) received from foreign customers.

16.2 Consequent to the settlement agreement with petitioners who had filed petition for liquidation of the company under Section 305 of the Companies Ordinance, 1984 in the Honorable High Court of Sindh which stands dismissed as withdrawn, the Company agreed to transfer two houses measuring 600 square yards each and agriculture land measuring 5 acres against their borrowings to the Company amounting to Rs.82.69 million.

Since the Petitioners have fraudulently and illegally without prior approval and knowledge of the Company, have got the said properties transferred in their names, which is the violation of the above said agreement. The management has therefore taken immediate action and transferred back the properties in the Company's name. In view of the said violation by the petitioners, the management is of the opinion that this agreement is no more valid and has been revoked.

17. LOAN FROM DIRECTORS

32,847,739

33,301,714

This loan has been obtained from directors and their family members to meet routine expenditure and payment of liabilities including loans from banks. The loan is unsecured, interest free and repayable on demand.

18. CONTINGENCIES AND COMMITMENTS.

Family members of the ex members/directors of the Company, namely Farheen Alamgir and Snobar Arif have filed suit against the Company on December 30, 2019, in the High Court of Sindh, Karachi, seeking set-aside of the Compromise Order dated 04.10.2019, whereby the Company has managed to receive stuck up trade receivables as mentioned in Note No.1 along with sea freight compensation, amounting to USD 1,150,000 and claiming 33% share in the said amount. The management of Company is vigorously pursuing the case and confident that the outcome of the case will be in favour of the Company. Therefore no liability has been provided against this claim.

Pakistan Stock Exchange Limited (PSX) has demanded Rs. 2,820,247/- including Annual Listing Fee of Rs. 2,530,437/- SECP Supervisory Fee of Rs. 217,561/- and Sales Tax Rs.15,671 for the years from 2014-15 to 2024-25. Company has over this period charged an amount of Rs.595,000/- against this demand including Rs. 50,000/- per annum for eleven years and Rs. 5,000/- per annum for nine years towards Annual Listing Fee and SECP Supervisory Fee respectively. The management is of the opinion that the fee charged by the PSX is unjustified and has brought to the knowledge of PSX about the same, hence no provision of Rs. 2,225,247/- is made in the financial statements.

19. SALES

There is no dilutive effect on the basis loss per share of the Company.

27. REMUNERATION OF CHIEF EXECUTIVE, DIRECTORS AND OTHER EXECUTIVES

Remuneration and meeting fees have been foregone by the directors and the chief executive and no remuneration and perquisites were paid to the directors, chief executive and other executives.

28. CHANGES IN ACCOUNTING POLICY

The Company owned two bungalows, which were classified under the head property, plant and equipment and were carried at cost model under IAS-16. The bungalows were not related to the business activities of the Company, they were acquired for long term for appreciation in value. During the year Company changed its accounting policy and reclassified them as investment property and adopted fair value model effective from the current year. The effects of change in accounting policy on the financial statement of the prior years are as follows:

Statement of Financial Position

30. FAIR VALUE OF FINANCIAL ASSETS AND LIABILITIES

Fair value is an amount for which an asset could be exchanged, or a liability settled, between knowledgeable and willing parties in an arm's length transaction. Consequently, differences may arise between the carrying values and the fair value estimates. Underlying the definition of fair value is the presumption that the company is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

30.1 Fair Value Hierarchy

Judgements and estimates are made in determining the fair values of the financial instruments that are recognized and measured at fair value in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the financial instruments are classified into the following three levels:

Level-1 fair value measurements are those inputs derived from unadjusted quoted prices in active markets for identical assets and liabilities.

Level-2 fair value measurements are those inputs determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to determine fair value of an instrument are observable, the instrument is included in Level 2. Examples are:

- * Adjusted quoted active market prices
- * Quoted price for a similar asset in an active market
- * There are no significant unobservable inputs

Level-3 fair value measurements are those inputs derived from valuation techniques that include inputs which are not based on observable market data. Examples are:

- * Discounted cash flows
- * Depreciated replacement cost

Financial assets and liabilities are not measured at fair value because the carrying value of all financial assets and liabilities approximate their fair value, except term investments which have been measured at fair value.

Valuation Approach used to determine Fair Value - Short Term Investments

In case of investment in shares unadjusted quoted stock exchange prices as at the closing date have been used (Level 1 inputs).

31. FINANCIAL RISK EXPOSURE AND RISK MANAGEMENT

31.1 Credit Risk

Credit risk represents the accounting loss that would be recognized if counter parties fail completely to perform as contracted.

Exposure to Credit Risk

The company is exposed to credit risk on the following financial assets. The carrying amount of these financial assets represents the maximum credit exposure at the reporting date, which is detailed as follows:

Trade Receivables	27,949,762	34,767,451
Advances	1,545,281	1,440,780
Other Receivables	3,555,524	3,555,524
Cash at Bank	318,989	216,131
	33,369,556	39,979,886

Concentration of Credit Risk

Concentration of credit risk arises from exposure to a single debtor, or when a number of counter parties are engaged in similar business activities or have similar economic features that would cause the ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. The company is exposed to a concentration of credit risk on its trade receivables amounting to Rs. 26,734,717. (2024: Rs.33,552,406). The Company does not have any limits on its customers.

Quality of Financial Assets

Trade credit has been given to credit worthy customers and vendors. Cash at bank is with banks of repute enjoying good credit rating.

Credit Risk Management

The company attempts to control credit risk by monitoring credit exposures and continually assessing the credit worthiness of counter parties, reviewing clients' financial position, considering past experience and other factors.

31.2 Market Risk

Market risk means that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks: price risk, interest rate risk and foreign currency risk.

31.2.1 Price Risk

Price risk represents changes in the fair value of a financial instrument due to fluctuation in the market prices (other than those from interest rate risk or currency risk), whether those fluctuations caused by factors specific to the individual financial instrument or its issuer, or factors affecting all or similar financial instruments traded in the market. The company is exposed to equity price risk since it has investments in listed equity securities held for trading amounting to Rs 938,037 (2024 : Rs. 815,746) at the reporting date.

The carrying value of investments is subject to equity price risk based on listed market prices as of the reporting date. Market prices are subject to fluctuation and consequently amount realised in the subsequent sale of an investment may significantly differ from the reported market value. Fluctuation in the market price of a security may result from perceived changes in the underlying economic characteristics of the investee, the relative price of alternative investments and general market conditions.

Sensitivity Analysis

The following information summarises the estimated effect of a hypothetical 5% increase and a 5% (2024: 5%) decrease in PSX Index. The selected hypothetical change does not reflect, what could be considered to be best or worst case scenarios. The analysis assumes that all other variables remain constant.

	Amount	
	5% Increase	5% Decrease
	Rupees	Rupees
As at June 30, 2025		
Changes in Fair Value of Investment	<u>46,902</u>	<u>46,902</u>
As at June 30, 2024		
Changes in Fair Value of Investment	<u>40,787</u>	<u>40,787</u>

31.2.2 Foreign Currency Risk

Foreign currency risk is the risk that the value of a financial asset or a liability will fluctuate due to a change in foreign exchange rate. It arises mainly where receivables and payables exist due to transactions entered into foreign currencies. The company's revenue streams include amounts in foreign currencies, hence it can experience adverse or beneficial effects arising from foreign exchange rate movements.

The following shows sensitivity of financial liabilities and expenses to a reasonable possible change in the foreign exchange rate:

	Profit and (Loss)	
	1% Increase	1% Decrease
	Rupees	Rupees
As at June 30, 2025		
Cash Flow Sensitivity - Foreign Advances	<u>242,887</u>	<u>242,887</u>
As at June 30, 2024		
Cash Flow Sensitivity - Foreign Advances	<u>221,739</u>	<u>221,739</u>

31.3 Liquidity Risk

Liquidity risk is the risk that an enterprise will encounter difficulty in raising funds to meet commitments associated with financial instruments. The company believes that it is not exposed to any significant level of liquidity risk, as support is available from the directors and associated undertakings.

Following are the contractual maturities of financial liabilities:

30-06-2025

32. RELATED PARTY TRANSACTIONS

Related parties of the Company comprise companies with common directorship, businesses under common control, directors and key management personnel. The management considers that the terms of loans, advances and transactions with related parties are not equivalent to those that prevail in arm's length transactions. No impairment loss, if any, is recognised in respect of these balances. Similarly prices are set through internal negotiations between parties, without reference to market benchmarks. Amounts due from / to related parties are disclosed in respective notes to these financial statements. Transactions with related parties are as follows:

Name of Related Party	Nature of Transaction		
Finishers Limited - Under common management	Power cost charges	<u>2,400,000</u>	2,400,000
Branded Shop - Under Common Management	Rental Income	<u>132,000</u>	132,000
Arino - Under Common Management	Rental Income	<u>132,000</u>	132,000
Rauf Alam - Director	Loan received / (Repaid)	<u>-</u>	3,540,000
Aftab Alam - Director	Loan received / (Repaid)	<u>-</u>	2,870,000
Saeed Alam - Director	Loan received / (Repaid)	<u>(453,975)</u>	(2,167,425)

33. FIGURES

Figures have been rounded off to the nearest rupee.

34. NUMBER OF EMPLOYEES

Total employees of the Company at year end	<u>4</u>	4
Average employees of the Company during the year	<u>12</u>	12

35. PLANT CAPACITY AND PRODUCTION

Due to the nature of Company's business, production capacity of the plant is not determinable.

The reason for non-production is blockage of funds with Russia that rendered the Company in to the financial distress, as explained in Note No. 1.

36. DATE OF AUTHORIZATION

 being a member(s) of **Fateh Industries Limited** and holder of _____ Ordinary Shares
 hereby appoint Mr. / Mrs. / Miss _____ of _____ or failing him
 / her _____ of _____ as my / our proxy in my / our absence to
 attend and vote for me / us on my / our behalf at the 40th Annual General Meeting to be held on
Monday October 27, 2025 at 09:30 a.m. and / or at any adjournment thereof.

In witness thereof I/We have signed and set my / our hands seal thereon this _____ day of
 _____ 2025 in presence of _____

Signed this _____ day of _____ 2025

Folio No.	CDC Account No.	
	Participatne I.D.	Account No.

Signature on
Revenue Stamp

The Signature should
agree with the
specimen registered
with the Company

Important:

1. This Proxy Form, duly completed and signed, must be deposited at the registered office of the Company not less than 48 hours before the time of holding the meeting. A proxy must be a member of the Company.
2. If a member appoints more than one proxy and more than one instrument of proxies are deposited by a member with the Company, all such instruments of proxy shall be rendered invalid.
3. For CDC Account holders / Corporate Entities

In addition to the above the following requirements have to be met:

- Attested copies of CNIC or the passport of the beneficial owners and the proxy shall be provided with the proxy form.
- The proxy shall produce his/her original CNIC or original passport at the time of the meeting.
- In case of corporate entity, the Board of Directors’ resolution / power of attorney with specimen signature shall be submitted alongwith proxy form to the company.

Replacement of physical shares with book-entry form

Respected Shareholder,

We would like to inform you that as per the requirement of Section 72 of the Companies Act, 2017 ("**the Act**"), companies are required to convert shares issued in physical form with the shares in book-entry form (electronic form or CDC), within a period not exceeding four years from the date of the promulgation of the Act. The four-year period ended on 31st May 2021. The Securities & Exchange Commission of Pakistan ("**SECP**") vide its letter dated 26th March 2021, has advised all listed companies, having physical shares to pursue with their such shareholders who still hold shares in physical form, requiring conversion of their shares in the book-entry form.

It may be noted that maintaining shares in book-entry form has many advantages, including safe custody of shares with the CDC, unlike physical share certificates there is no risk of loss, instant credit of bonus/right shares. Whereas, the physical share certificates are not saleable through stock exchange and cannot be pledged, if required.

Accordingly, all shareholders who held their shares in physical form are hereby requested to proceed with the conversion of their physical share certificates into scrip less book-entry form at their earliest.

The scrip less book-entry shares are kept in electronic accounts maintained by the Central Depository Company Limited ("**CDC**"). The CDS Account can be opened and maintained by any CDC Participant (i.e. Stock Brokers) or by CDC Investor Account Services ("**CDC-IAS**"). You may contact any Stock Broker or CDC-IAS (Toll Free Tel. 0800-23275, email: info@cdcpak.com) in this regard. If you have any query or require any guidance, you may also contact the Company's Share Registrar M/s. F.D. Registrar Services (Pvt.) Ltd. (Room No. 1705, 17th Floor, Saima Trade Tower "A", I.I. Chundrigar Road, Karachi-74000 Phone: (92-21) 32271905-6, email: fdregistrar@yahoo.com).

Regards,

Company Secretary
