

# Citi Pharma Limited

**A landmark step towards strategic growth and financial excellence.**

We were honored to host **JS Global Capital Limited CEO Mr. Khalil Usmani** along with his esteemed team at the **Citi Pharma Limited** manufacturing facility for a productive and insightful visit.

During the meeting with our **CEO, Rizwan Ahmad**, both organizations engaged in meaningful discussions focused on strategic financial collaboration, capital market opportunities, future expansion plans, and long-term business growth initiatives.

A key highlight of the visit was the signing of a **Strategic Financial Advisory Agreement**, marking the beginning of a strong partnership aimed at exploring opportunities in **investment banking, capital markets, IPOs, REIT structures, fundraising, and strategic corporate initiatives**.

The delegation also toured our state-of-the-art manufacturing plant and participated in a plantation activity, symbolizing sustainable growth and a shared vision for the future. Together, we look forward to building new milestones through innovation, collaboration, and strategic leadership.
