Sustainability report

Dear Sir,

Dynea Pakistan Limited the ("Company") is pleased to announce that its first Sustainability Report for the year ended June 30, 2026, has been published and is now available on the Company's website.

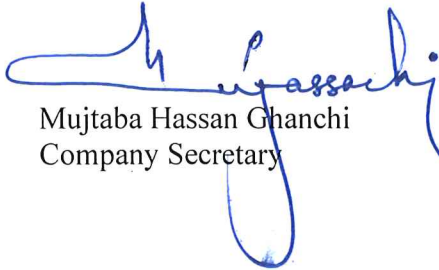

The Company falls under Phase 2 of the applicable sustainability reporting requirements and has voluntarily published its Sustainability Report as part of its commitment to Sustainability.

The report can be accessed through the link provided below:

<https://www.dynea.com.pk/sustainability/>

You are requested to kindly inform the TRE Certificate Holders of the Exchange accordingly.

Sincerely

Mujtaba Hassan Ghanchi
Company Secretary
